

<p>Name : SHANG-HUNG CHEN</p>	
<p>Current Position: Assistant Investigator and Attending Physician, National Institute of Cancer Research, National Health Research Institutes Attending Physician, Department of Oncology, National Cheng Kung University Hospital, College of Medicine, National Cheng Kung University Adjunct Assistant Professor, National Cheng Kung University</p> <p>E-mail: bryanchen@nhri.edu.tw</p>	
<p>Brief Introduction</p>	
<p>Dr. Shang-Hung Chen, MD, PhD, is an Assistant Investigator and Attending Physician at the National Institute of Cancer Research, National Health Research Institutes (NHRI), and an Attending Physician in the Department of Oncology at National Cheng Kung University Hospital, Taiwan. He is also an Adjunct Assistant Professor at National Cheng Kung University. Board-certified in internal medicine, medical oncology, and hematology, Dr. Chen is a physician–scientist with extensive clinical and translational research experience. His research focuses on tumor immunology, mechanisms of therapeutic resistance, and biomarker-driven precision oncology, particularly in colorectal, breast, head and neck, and gastrointestinal cancers. He has led and participated in multiple nationally funded research projects and has published extensively in high-impact oncology and biomedical journals, contributing significantly to the understanding of cancer biology and treatment response.</p>	
<p>Education</p>	
<ul style="list-style-type: none"> ● Ph.D., Institute of Clinical Pharmacy and Pharmaceutical Science, National Cheng Kung University, Tainan, Taiwan ● M.D., School of Medicine, National Cheng Kung University, Tainan, Taiwan 	
<p>Professional Experiences</p>	
<ul style="list-style-type: none"> ● Attending Physician, National Institute of Cancer Research, National Health 	

Research Institutes

- Attending Physician, Division of Hematology and Oncology, Department of Internal Medicine, National Cheng Kung University Hospital, College of Medicine, National Cheng Kung University
- Attending Physician, Division of Hematology and Oncology, Department of Internal Medicine, Chi-Mei Medical Center, Liouying

Research Interests and Areas of Expertise

Tumor immunology, mechanisms of therapeutic resistance, biomarker-driven precision oncology, and clinical trial design.
