<p>Education</p>	
<ul style="list-style-type: none"> ● DDS, School of Dentistry, Kaohsiung Medical University, Taiwan 	
<p>Professional Experiences</p>	
<ul style="list-style-type: none"> ● Attending Surgeon, Department of Oral and maxillofacial surgery, Kaohsiung Medical University Hospital ● Resident, Department of Oral and maxillofacial surgery, Kaohsiung Medical University Hospital 	
<p>Research Interests and Areas of Expertise</p>	
<p>Professor Chang-Wei, Su specializes in oral and maxillofacial pathology, with research interests centered on rare oral lesions, metastatic malignancies, and complex diagnostic cases in the oral cavity and jaws. Her published work in international peer-reviewed journals highlights the clinicopathological features of oral manifestations of systemic cancers and malignant transformation of jaw lesions, supporting early diagnosis and interdisciplinary clinical decision-making.</p>
